

# JONGYOON KO

---

## PROFESSIONAL SUMMARY

---

My name is Jongyoon Ko, and I was born in Seoul. I was born on July 8, 1998. I spent part of my childhood in the United States, and that experience influenced my decision to study abroad. I enjoy gaining diverse experiences, and that's been a personal goal of mine. I also have military experience, having served in the military. I initially attended Centennial College before returning to Korea due to my military service and then later returning to Canada. During my time in the military, I developed strong teamwork skills and accumulated various experiences.
